Terms & Conditions

These terms and conditions apply to the ZoomArt app (hereby referred to as "Application") for mobile devices that was created by Infinitefy OU (hereby referred to as "Service Provider") as a Freemium service.

Upon downloading or utilizing the Application, you are automatically agreeing to the following terms. It is strongly advised that you thoroughly read and understand these terms prior to using the Application.

Unauthorized copying, modification of the Application, any part of the Application, or our trademarks is strictly prohibited. Any attempts to extract the source code of the Application, translate the Application into other languages, or create derivative versions are not permitted. All trademarks, copyrights, database rights, and other intellectual property rights related to the Application remain the property of the Service Provider.

The Service Provider is dedicated to ensuring that the Application is as beneficial and efficient as possible. As such, they reserve the right to modify the Application or charge for their services at any time and for any reason. The Service Provider assures you that any charges for the Application or its services will be clearly communicated to you.

The Application stores and processes personal data that you have provided to the Service Provider in order to provide the Service. It is your responsibility to maintain the security of your phone and access to the Application. The Service Provider strongly advise against jailbreaking or rooting your phone, which involves removing software restrictions and limitations imposed by the official operating system of your device. Such actions could expose your phone to malware,

viruses, malicious programs, compromise your phone's security features, and may result in the Application not functioning correctly or at all.

Please note that the Application utilizes third-party services that have their own Terms and Conditions. Below are the links to the Terms and Conditions of the third-party service providers used by the Application:

Disclaimer

ZoomArt is not responsible for any content, code or any other imprecision.

ZoomArt does not provide warranties or guarantees.

Please be aware that the Service Provider does not assume responsibility for certain aspects. Some functions of the Application require an active internet connection, which can be Wi-Fi or provided by your mobile network provider. The Service Provider cannot be held responsible if the Application does not function at full capacity due to lack of access to Wi-Fi or if you have exhausted your data allowance.

If you are using the application outside of a Wi-Fi area, please be aware that your mobile network provider's agreement terms still apply. Consequently, you may incur charges from your mobile provider for data usage during the connection to the application, or other third-party charges. By using the application, you accept responsibility for any such charges, including roaming data charges if you use the application outside of your home territory (i.e., region or country) without

disabling data roaming. If you are not the bill payer for the device on which you are using the application, they assume that you have obtained permission from the bill payer.

Similarly, the Service Provider cannot always assume responsibility for your usage of the application. For instance, it is your responsibility to ensure that your device remains charged. If your device runs out of battery and you are unable to access the Service, the Service Provider cannot be held responsible.

In terms of the Service Provider's responsibility for your use of the application, it is important to note that while they strive to ensure that it is updated and accurate at all times, they do rely on third parties to provide information to them so that they can make it available to you. The Service Provider accepts no liability for any loss, direct or indirect, that you experience as a result of relying entirely on this functionality of the application.

Modifications to Application

The Service Provider may wish to update the application at some point. The application is currently available as per the requirements for the operating system (and for any additional systems they decide to extend the availability of the application to) may change, and you will need to download the updates if you want to continue using the application.

The Service Provider does not guarantee that it will always update the application so that it is relevant to you and/or compatible with the particular operating system version installed on your device. However, you agree to always accept updates to the application when offered to you.

The Service Provider may also wish to cease providing the application and may terminate its use at any time without providing termination notice to you. Unless they inform you otherwise, upon any termination, (a) the rights and licenses granted to you in these terms will end; (b) you must cease using the application, and (if necessary) delete it from your device.

Restrictions

You agree not to, and you will not permit others to:

- License, sell, rent, lease, assign, distribute, transmit, host, outsource, disclose or otherwise commercially exploit the app or make the platform available to any third party.
- Modify, make derivative works of, disassemble, decrypt, reverse compile or reverse engineer any part of the app.
- Remove, alter or obscure any proprietary notice (including any notice of copyright or trademark) of ZoomArt or its affiliates, partners, suppliers or the licensors of the app.

Copyright Infringement Notice

If you are a copyright owner or such owner's agent and believe any material on our app constitutes an infringement on your copyright, please contact us setting forth the following information:

- A physical or electronic signature of the copyright owner or a person authorized to act on his behalf;
- An identification of the material that is claimed to be infringing;
- Your contact information, including your address, telephone number, and an email;
- A statement by you that you have a good faith belief that use of the material is not authorized by the copyright owners;
- And the a statement that the information in the notification is accurate, and, under penalty of perjury you are authorized to act on behalf of the owner.

Ownership of Creative Work and Results

Any creative work, including but not limited to designs, graphics, and other materials produced through the use of our Service, remains the intellectual property of the original creator unless otherwise agreed in writing.

However, for any work conducted under test builds or beta versions of our software, including all related data, feedback, and creative materials, such work automatically becomes the sole property of the company. This ownership extends to any and all proprietary information or data generated during the development, testing, or use of these versions.

Upon the final release of the product, all proprietary data and materials, such as performance metrics, user feedback, and software functionalities, will also become the exclusive property of the company.

Intellectual Property

The app and its entire contents, features and functionality (including but not limited to all information, software, text, displays, images, video and audio, and the design, selection and arrangement thereof), are owned by ZoomArt, its licensors or other providers of such material and are protected by Estonia and international copyright, trademark, patent, trade secret and other intellectual property or proprietary rights laws.

The material may not be copied, modified, reproduced, downloaded or distributed in any way, in whole or in part, without the express prior written permission of ZoomArt, unless and except as is expressly provided in these Terms & Conditions. Any unauthorized use of the material is prohibited.

Opt-Out Rights

You can stop all collection of information by the Application easily by uninstalling it. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Your Consent

By using the Application, you are consenting to the processing of your information as set forth in this Privacy Policy now and as amended by us. You can access Privacy Policy at any time through the app.

Changes to These Terms and Conditions

The Service Provider may periodically update their Terms and Conditions. Therefore, you are advised to review this page regularly for any changes. The Service Provider will notify you of any changes by posting the new Terms and Conditions on this page.
